Want to produce a web seminar - But don't know where to begin?

NetWorks Provides Webinar Hosting Services!

Webinar Benefits

Webinars are interactive web seminars that participants and presenters can attend from virtually anywhere. They are a convenient and cost effective method of providing training, disseminating information, or collaborating on projects. Each session can be custom tailored to meet your needs and can include: screen sharing, live chat, polling, and Q & A between audience and presenters.

Webinar Hosting Services

NetWorks has invested valuable time and resources in the development and implementation of a successful webinar process. Since 2006 we have produced dozens of webinars that have drawn over 2,500 national and international registrants. NetWorks now provides webinar hosting services to assist others with webinar production, including:

- Concept Development Consulting
- Automated Registration Database
- Detailed Registration Reports
- Registrant Confirmations & Instructions
- Private Dress Rehearsal
- Online Webinar Venue
- Presenter Telephone Bridge
- Dedicated Webinar Host/Facilitator
- Live Troubleshooting Assistance
- Customized Satisfaction Survey
- Certificates of Participation
- Recorded Webinar Link

Maximum Participants: 100 attendees

Maximum Session Length: 90 minutes

Fees: Pilot = No charge, Additional Events = \$300, Annual Fee/4 Events Max. = \$1,000

Where to Begin
